Herewith are extracts from the General Laws of Massachusetts, Chapter 46.

Section 3. Every physician, or hospital medical officer registered under Section nine of Chapter one hundred and twelve, in this chapter called officer, shall keep a record of the birth of every child in cases of which he was in charge, showing date and place of birth, the name, if any, of the child, its sex and color, the name, age, birthplace, occupation and residence (including the street number, if any) of each parent, the maiden name of the mother and the name of the physician or officer, if any, personally attending the birth. If the child is illegitimate, the name of and other facts relating to the father shall not be set forth except upon written request of both the father and mother. Said physician or officer shall, within fifteen days after such birth, mail or deliver to the clerk or register of the town where such birth occurred, a report stating the facts herein above re-

quired to be shown on said record and also the said written request, if any; provided, that if said report is not so made within forty-eight hours after such birth, said physician or officer shall, within said forty-eight hours, mail or deliver to said clerk, or registrar a notice stating the date and place of the birth, the street number, if any, the ward number, if in a city, and the family name. Upon presentation to him of a certificate of the town clerk stating that any such birth has been duly reported, the town treasurer shall pay to such physician or officer a fee of twenty-five cents for each birth so reported. Any physician or any such officer violating any provision of this section shall forfeit not more than twenty-five dollars.

Section 4. A member or servant of a family in which a child is born, having knowledge of the facts required for record relative to such births, shall furnish the same upon request of the clerk of the town where such child was born or its parents reside, or of any person authorized by him. Such member or servant refusing to furnish such facts shall be punished by fine not exceeding ten dollars.

Section 6. Parents, within forty days after the birth of a child, and every householder, within forty days after a birth in his house, shall cause notice thereof to be given to the clerk of the town where such child is born. Every householder in whose house a death occurs and the oldest next of kin of a deceased person in the town where the death occurs shall, within five days thereafter, cause notice thereof to be given to the board of health.

FIFTY-FIRST ANNUAL REPORT
OF
PARK COMMISSIONERS
FOR THE YEAR ENDED DECEMBER 31, 1949.

The summer of 1949 was a busy one at the bathhouse and the playground. 8,740 children and adults used the swimming facilities and 50 to 75 children attended the playground activities each morning. The new playground apparatus installed in the spring of the year was in almost constant use during the summer and fall. At this time, the Park Commissioners do not contemplate adding to this equipment, although if the demand increases sufficiently, and the need is apparent, more of this type of equipment will be installed.

Swimming classes were very large in all groups, with more than 100 children in the beginners classes, and about 30 children and adults in the life saving classes. The following numbers successfully passed the various tests:

Beginners	45
Intermediate Swimmers	27
Swimmers	32
Advanced Swimmers	2
Junior Life Saving	13
Senior Life Saving	6

The draining and cleaning of the pond during the spring of the year undoubtedly contributed to the large attendance

at the bathhouse during the hot summer months. The previous year the water had been very dirty and filled with weeds and, although not harmful, was nevertheless not inviting. This year the clean water and the almost total absence of weeds brought about such excellent swimming conditions that many mothers with young children frequented the bathing area on hot afternoons. It is expected that the water will be even cleaner during the coming year.

The Park Commissioners have in mind the improvement of the sand box area at the bathhouse by the addition of stone curbs and new clean sand. The shade trees planted during the spring of the year should eventually bring about large shady areas near the bathing facilities.

The playground activities were much more successful during 1949 than during 1948, as much had been learned during the earlier year about the likes and dislikes of the children attending. As a result, classes and instruction in sports and handicrafts, such as archery, tennis, modeling, etc. became very popular and resulted in a great increase in attendance over the prior year. Archery drew many, and weekly contests were held in four divisions—senior boys, senior girls, junior boys and junior girls. It was found necessary towards the end of the season to add a pee-wee division in this sport. Junior baseball was another very active sport, and was played almost daily.

With the completion of Draper Field by the Draper Corporation, the Blackstone Valley League ceased to play any of its games on the baseball diamond at Town Park. However, with the various baseball teams formed by the young people in the town, and the softball league, the baseball diamond saw almost constant use during the summer months.

The woodland program commented upon in earlier reports has been continued during the year. Since the roads

and trails had been put into fairly good shape during earlier years, efforts this year were concentrated upon clearing the woodlands of dead and fallen trees, underbrush, trash, and windfalls, all of which constituted a terrific fire hazard. A great deal of progress has been made during the year, so that in areas where the cleaning-up process has been completed, the fire danger has been reduced to a minimum. It has also resulted in a much more sightly area, and numberless small pines, heretofore hidden by the trash, have been brought to light and now have an excellent chance for survival. It is planned to continue this work for several years, so that the woodlands will eventually be in a clean and safe condition.

REPORT OF AUDITOR

FOR THE YEAR ENDING DECEMBER 31, 1949.

I have examined and verified the financial transactions of the Town of Hopedale as recorded on the books of the several departments, and find that the disbursements are covered by paid bills which correspond with the orders drawn on, and paid by, the Town Treasurer.

The books and accounts of the Town Treasurer I have examined and checked in detail. The recorded receipts I have checked wherever possible with the sources from which money was paid to the Town Treasurer. The payments were checked with the orders authorizing the disbursement of town funds. I have verified the cash balance on hand as of December 31, 1949, by a reconciliation of the accounts with the statements furnished by the banks.

I have examined the accounts of the Tax Collector and find them to be correct. The commitments of taxes and abatements were proved and checked to the assessors' records. The amounts covering fees and interest were verified, and all payments to the Treasurer were checked to the Treasurer's Cash Book.

In accordance with Section 53 of Chapter 41 of the General Laws, as amended, I have examined and checked the securities and savings bank accounts representing the investment of the Trust Funds in the custody of the Town Treasurer, and find that they are as stated in the Town Treasurer's report on Trust Funds.

Respectfully submitted,

J. MASON WASHBURN,

Auditor.

LIBRARIAN'S REPORT.

The librarian respectfully submits the sixty-fourth annual report.

In the Main Library activities have proceeded along the usual lines. High school as well as college students and the general public constantly use the facilities of the Reference Room which is well-equipped to supply ordinary needs. Many library patrons enjoy the ample supply of information and amusement afforded by the wide range of current periodicals in the Reading Room.

The British Travel Association provided a most acceptable exhibit of unusual artistic worth with large posters of English cathedrals and places of historic interest in Great Britain. This was enjoyed by many visitors.

In the South Hopedale Branch Library Mrs. Constance Jones is carrying on the tradition of service in the cultural life of that community made memorable by Miss Caldwell's twenty-five years as Branch Librarian. Mrs. Jones opens her home every Thursday afternoon and evening for the convenience of library patrons in South Hopedale.

During Book Week in November every pupil in the elementary grades was given a special invitation and opportunity to visit the Children's Room. Story hours and exhibits dealing with early Hopedale history were among the attractions. Freshmen in the High School have all come to the library to become familiar with its resources and to learn something of library technique as practised in modern public libraries.

Thanks are due library friends who have read about ninety books of fiction during the year appraising their value for our public's needs. Among these Mr. Howard L. Smith will be greatly missed for his readiness to help and for his intelligent and pungent comments on books reviewed.

Especial mention should be made of the willing help given by the high school assistants during the illness of Mrs. Damon. This help enabled the work of the circulation desk to proceed without interruption during the assistant-librarian's regretted absence.

To the Library Trustees, at all times willing to give of their time and thought to matters pertaining to the welfare of the staff and to the upkeep of the building and furnishings, grateful thanks are extended and especial appreciation is due.

Respectfully submitted,

RACHEL C. DAY,

Librarian.

The large number of books from the estate of Mrs. B. H. B. Draper, Sr., filled a need for popular fiction besides providing many books of high literary value. Juvenile books, the gift of Miss Helene Draper, have been very welcome. Rare manuscripts dealing with early Hopedale days, presented by Adin Ballou's granddaughter, Mrs. John Holden, as well as children's books once in the Ballou family, sent by Miss Letty Davis, have added greatly to the interest and value of the early Hopedale items.

Thanks are due Mrs. Ira Noyes, also, for sharing her kodachrome pictures with the children at the Library and providing two delightful Christmas parties for the younger library children. On this occasion Mr. James Young gave a beautiful Christmas tree complete with trimmings and colored lights.
